**JOINT STIPULATION TO EXTEND
TEMPORARY RESTRAINING ORDER**

Plaintiff VetBridge Product Development Subsidiary I (NM-OMP), LLC's ("Plaintiff") and Defendant NewMarket Pharmaceuticals, LLC, by and through their respective counsel of record, pursuant to Fed. R. Civ. P. 65(b)(2), hereby jointly stipulate, subject to the approval of the Court, to extend the Temporary Restraining Order in this action until such time as the parties have executed a definitive settlement agreement or thirty (30) days after the parties jointly notify the Court that the execution of such an agreement is futile, whichever occurs first. In support of this Stipulation, the parties state the following:

1. The Court entered a Temporary Restraining Order ("TRO") in this action on November 6, 2018 [Doc. 25], pursuant to the parties' Agreed Stipulation [Doc. 24].
2. The TRO was subsequently extended by the Court on December 19, 2018 [Doc. 37], to March 18, 2019, pursuant to the parties' Joint Stipulation to Extend Temporary Restraining Order [Doc. 35], which was filed on that same date.

3. The parties have reached a tentative settlement, subject to the execution of a definitive settlement agreement, and are currently in the process of drafting that settlement agreement in a form acceptable to both parties.

4. The continuation of the TRO in this case (i) until such time as the parties have executed a definitive settlement agreement, or (ii) thirty (30) days after the parties jointly notify the Court that the execution of such an agreement is futile, is a condition of the parties' tentative settlement and is necessary to preserve the status quo while the parties work diligently to draft and enter into a definitive settlement agreement.

5. A proposed Order is being submitted concurrently herewith for the Court's convenience.
